**Re: In the Matter of Lifeline and Link Up Reform and Modernization
Notice of Forbearance from Lifeline BIAS Requirements
WC Docket No. 11-42**

Pursuant to the Lifeline Modernization Order¹ and the BIAS Forbearance Public Notice,² as authorized representatives of Cellular South Licenses, Inc. ("Cellular South"), we hereby submit this Notice of Forbearance from Lifeline broadband internet access service ("BIAS") requirements throughout its ETC service areas.

Cellular South is a competitive ETC with service areas in portions of Alabama and Mississippi. As a recipient of frozen high cost support ("FHCS"), Cellular South is not required to provide Lifeline-supported BIAS in its ETC service area.³ Cellular South hereby provides notice that it is availing itself of the FCC's forbearance from the Lifeline BIAS requirement throughout its ETC service areas for the study areas listed in Attachment A.

Pursuant to advice from Wireline Competition Bureau staff, Cellular South will supplement this filing with census block information at a future date.

¹ *Lifeline and Link Up Reform and Modernization et al.*, Third Report and Order, Further Report and Order,, and Order on Reconsideration, 31 FCC Rcd 3962 (2016)(*"Lifeline Modernization Order"*).

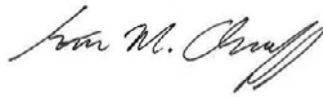

² *Wireline Competition Bureau Provides Guidance Regarding Filing Procedures for Eligible Telecommunications Carriers Seeking to Invoke Forbearance Granted by Lifeline Modernization Order*, Public Notice, WC Docket No. 11-42, DA 16-1316 (WCB. rel. November 22, 2016) (*"BIAS Forbearance Public Notice"*).

³ Unlike recipients of other types of high-cost support, who were granted forbearance based on census block, FHCS recipients "are not required to offer Lifeline-supported broadband services in their designated service areas." See Lifeline Modernization Order, 31 FCC Rcd at 4074 (Para. 311).

Notwithstanding this forbearance filing and in accordance with the *Lifeline Modernization Order*, Cellular South reserves the right to offer and receive reimbursement for providing Lifeline-supported BIAS to eligible subscribers.⁴
